“ *She was a wonderful big sister. She would do anything for anybody. She loved Cory her son more than anything , he was her whole world. If you met her you probably never forgot her because of her personality, blonde curly hair and how nice she was. I will miss her so much.. I wish I could have talked to her just one more time. I have alot of really good memories with her that I will cherish forever from working at Alfa together to just being sisters. I love you Kim and I know you are in heaven with daddy, Joann, Kenny and Debbie and you are happier than you have ever been. I'll miss you so much.* ”
