Kinney was the Best Husband and Father to my Best Friend Lana and his Bonus kids.He loved his jobs and all his Police Friends. I think his nick name by some of his buddies was cussing Kinney. Which he got honestly and due to his some time stressful jobs.Which is very understandable, Right Lana?He was a really good person and friend. You will truly be missed Kinney. And Thank you to his Wife who was by his side all the way. I know without a doubt he would have done the same for you.
