“ *Kerry and family. I had the blessing to meet you and your family through my grandson Jace who played football and was friends with Joseph. My heart goes out to you and your family during this difficult time. Prayers and hugs to you all. Di Lalim (Nikki Klinger's Mom)*

“ *The passing of a such a wonderful child of the Lord is always a tough time. This occasion is very difficult to comprehend as we want to rejoice in the birth of Liberty. As a Christian I rejoice in knowing you have been chosen to do even greater things. As a husband and father I can't help but to struggle with understanding. Jessica, Hailey, and I are praying for those left behind and of course we will always be there to help them in anyway they need and in ways they don't think they need too. The Fruhauf family is in our prayers and have our deepest condolences.*
