*God got a true Angel yesterday..  
Leroy was my brother n law. But looked after me as my brother. Always there when I was in need. He was happy and never met a stranger. Tried to help everyone and had many friends anywhere he went there were people that knew him. Many called him the lawnmower man because he would help fix their mowers. We had many years of fun along with sorrows.  
It was a great lost to all of us. I will cherish my 58 years of knowing my brother as I called him.  
I'm sure he has reached his heavenly home now. Cradled in God's Arms resting from his journey. Fly High Lee your journey here on Earth is done. Now I know you have earned your Angel Wings. Stay close. You are forever in our ♥️..*

“ *I have known Lee Roy since 1977. He was always the same person day in and out. Always laughing, joking, and carrying on. The other thing he was always doing was working and making another dollar. I haven't seen him a lot in the past few years unless I ran into him at WalMart or somewhere like that. I was just thinking about him last week. I know I will miss him, he was a good man and I considered him to be "My Friend". "Rest in Peace Lee Roy, I will see you on the other side, your friend, Bob Wells.*
