“ *Rhonda and family, Our thoughts and prayers with you and the family. We love him and going to miss Dale. We got so many memories of him. I remember one time he keep this horse up our on land. It was snowing one night ,it was coming down pretty good. Dale know that his horse was going to have a colt. So he stayed with horse all night*

She had that colt early next morning. The colt didn't make it. That night Dale didn't know if that colt was going to make it. He just know that it was close for her to have that colt. And he stayed with her the whole time. He was loyalty to his animals and his family and friends. If he said he was going to do it, he would. I could go on and on with stories. But I will leave it right here for now. Rhonda you are family and still will be family. We are here for you. We love y'all. Love your Cousin Wayne and Glenda
