“ *I knew Mr. Boozer from years of going to church with him at New Home, and he was an excellent cook. He also helped coach my son, Jacob Fata, in football at New Life Christian Academy. Jake was good friends with Will for many years and they played football and basketball together. He was a role model and a man to look up to. Jake told me the other night. We were both deeply saddened to hear of his passing.*

“ We were neighbors for a long time. He was always there if you needed anything. When our daughter was born, he treated her like she was one of his granddaughters. She thought of him as a grandfather figure. Neighbor will be missed.

“ *So sorry to hear about the loss of Bro. Frank. I always thought of him as a father figure. Was thrilled when I found out that he could fix a antique mantle clock that has been in my family for 200 years and he could fix the cuckoo clock that I inherited from my parents. We will most certainly miss him. We will keep the family in our prayers.*

“ *Uncle Buddy told the best stories! You never knew if he was being serious or not. He always gave so selflessly. While there is comfort knowing that we will see him again, there will still be a hole in our hearts.*
