“ *Lori was an awesome mother and friend. My family had come to love and appreciate her fellowship each weekend for many years over supper! Lori has the most wonderful family that she is leaving behind. Her children and their spouses, to include grand kids, have also been a part of our weekend meals. We have come to appreciate and love the times with them as well. Lori has rejoined with her awesome husband Bob, that passed away suddenly two years ago in September. What a joyous time that is! We grieve for the loss of a friend but understand what I heard a pastor once say at a funeral, "that you have not lost someone or something if you know where it is!!"*

“ *Lori was always helpful to anyone that needed her. She helped me with one of my daughters wedding by loaning me so many items from her stock pile of decorations from her daughters attic. She always had a smile every time I would see her even through difficult times. She will be greatly missed.*
