

Ms. Lorraine Sutter

August 13, 2024

Lorraine was a “Jersey Girl” who accepted a transfer to Prattville, Alabama. What she thought would be a short-term work assignment became permanent when she fell in love with the city and its people. She bought a home, adopted her beloved dog Pork Chop and eventually retired. Her varied interests included 70’s rock music, all genres of sci-fi and sports on a national and local level. However, despite these many hobbies, the one she enjoyed most was baking. Any occasion or holiday, especially Christmas, brought out her imagination, creativity and generosity. Sharing her baking with others was her joy. She believed passionately in animal rescue and adoption. Her entire adult life was devoted to caring for unwanted animals. A donation in her name to the Prattville/Autauga Humane Society, 1009 Reuben Road, Prattville, AL 36067, is a wonderful way to honor her memory. She is survived by loving family and friends. “ Ms Lorraine was a light at Kinedyne. She was the behind the scenes mastermind. I was blessed to be her co-worker when she transitioned to Alabama. I got to share many memories and stories with her. I will cherish those moments. She will be missed! Sending many prayers to her family. Hope Pork Chop is well.

“ Kinedyne was truly blessed to have such a wonderfully talented and dedicated employee such as Lorraine. When she came from our NJ office we were a little scared but little did we know she was full of surprises - an IT wiz with a great sense of humor and the baking skills!! Tremendous plus! We were so happy to have her join our Prattville facility. Then she announced her retirement and sadness came upon us but the news of her passing on has really left a hole in our hearts. You are truly missed Lorraine! RIP and praying for peace and comfort to your family. ❤️
