“ *To the Langford, Sellers, and Jackson Family: I extend to all of you my sincere condolences in the loss of Louise. As I remember her from our years growing up, she was always a very quiet, sweet, and humble spirited person. I quite often saw her and her sister as we passed by their home. I will continue to remember all of you in prayer for God to give you strength and comfort as you go through these difficult days. May God bless and keep you all.*

“ *Who would have thought that last year was the last mother's day that we would have to share with you? Now this will be the 1st mother's day that we won't have you here with us to show you how much we love and appreciate you. I know we must go on with our lives and be as you taught us to be. This is a hard pill to swallow, but we all have each other and with God's grace and mercy we'll be alright. So go on and take your sweet rest that you so deserve, Put on your robe and tell your story about how you made it over. Rip momma you'll always be our #1 lady Mary and family..*
