“ I have so many great memories of all of the fun times in millbrook! Mark was front and center for most of my memories! He was something! He always had a story and he was ALWAYS grinning, so sweet and funny. My memories are all during our school days.. I wish I had known him as an adult cause I bet he was a great friend and I bet he was just as sweet and loving his whole life. I will truly mean as you Mark..love you very much

“ I have so many funny memories of Mark. He was truly one of a kind. He was one of the most generous and selfless men that I had the privilege of calling my dear friend. I can picture him and my dad getting put in time out in Heaven for pulling pranks on people! Oh how I loved you and will miss you Mark Pigg! You always made me laugh. I promise that I will see you in Heaven one day. You give my daddy a hug from me and I'll give Mama Pigg a hug for you. Rest In Peace my friend, you earned it.

“ *I hired Mark at Flavorich Daries many years ago. It wasn't long before we went from supervisor/employee to friends and we remained that even tho we seldom saw each other. I don't think I ever spent a dull moment around him. Every day after lunch, without fail, he'd come into my office and call Twila to see how her day was going. He'd always close those calls with "I Love You". As a way to pick at him I started saying "Me too Twila. Mark Loves you Twila and Me too.*
