“ *We are so deeply sorry for your loss of Silla. She was a beautiful, sweet, kind and caring person. Every time I saw her she'd give me a hug and ask about the family. That's the type of person she was. Same sweet person I have known since we were kids. Rest well Silla.*

“ *Some people are just loving, kind, sweet and the same every time you see them. That was Marsilla. Every time I would see her she would greet with hey Ray Ray, give me that warm smile and embrace me with a meaningful hug. We would often have conversations about her children Keldrick and Kim whom she loved very dearly. One thing that was apparent with every conversation that we had was the love for her husband Larry. She truly loved and missed him. They have reunited now with the warm embrace of our Lord and Savior Jesus Christ. To the family I am so sorry for the loss of Marsilla, she will truly be missed. Love Ray Ray*
