“ I was working today when suddenly Mary Whittens name popped into my head out of the blue. After a little bit of digging online, I found this tribute page.

I knew Mary from school in Canyon during the 1980s. Later, she and her family moved into the same apartment complex in which I lived with my dad - Canyon Creek Apartments at 50 Southridge Drive.

Mary, Jay, and I would often hang out at the pool, play volleyball, or just sit and talk on the stoop of one of the buildings. Sometimes, Mary would borrow my red 10-speed bike. She would ride as fast as she could around the apartment complex and I would time it. She was fast!

Mary and Jay were at the very first New Year's Eve party I ever attended. It was at Gus Hare's apartment. He lived in the same apartment complex too, with his mom I think. I remember all of us laughing and having a great time. I loved that feeling!

Mary always kind, always smiling. I don't recall her saying anything negative about anyone or anything. I wish I knew her later in life. I can tell she had a great family and lots of love. Thanks for taking such good care of my dear childhood friend.

Sincerely,
Ena Bost (Bichsel)
