“ *We have known Mary for several years and have always found her to be the best example of a true Christian than anyone we know. She was faithful to her church and worked hard to do everything she was asked to do and never complained. She always brought the children in her family to church, giving them a good foundation in life. She always had an encouraging word to anyone who would take the time to know her. She was always caring for her mother until her mom passed away. There is not enough words to express the love and appreciation for Mary's life. Just knowing her is an inspiration to us all. We love Mary and her family and hope and pray her family will be at peace knowing she is with her mother and our heavenly father. The best for all of her survivors is to be reconciled that we will all see Mary again someday. Heaven is much brighter today because Mary's star shines there.*

“ *Mary was a kind, gentle soul. So much of her life was devoted to you, her family. I know you will miss her as a sister and an aunt, and I will miss her as a friend.* ”
