“ Kathy was about the same age of my younger sister Jane, and always like her Mother sweet and caring. We had many fun times in Coosada as cousins playing and eating great food. We had so much love from her Grandmother my aunt Mary, her mother my aunt Margaret, and our great Grandmother Granny. As adults we went our separate ways but the memories of our loving times as children will be with me until we have our reunion again with our Lord and Saviour Jesus Christ. Cousin Johnny Majors .

“ I will always remember her sweetness! I haven't talked to her in a while but I do remember when I talked to her last, I felt the love when she told me she loved me, as I always did when I seen or talked with her!! Rest In Peace aunt Kathy! I love you!!

“ *Many years ago, when Charles was a deputy and Jim rode along (in uniform), Kathy and I would sometimes meet them after Charles' duty was over. The girls would spend the night with Margaret, I think, and we four thought it was just the neatest thing to head over to Shoney's (at that time, weekend nights they were open until 2AM) to have breakfast together. Another time, after the funeral for my younger son, Jim and Kathy were with Charles and me and we again headed over to Shoney's to spend time together. Together, Jim and Kathy were a solid unit, loving each other but able to help others in need. As far as I can tell, the really good thing about us losing Kathy is that she and Jim are now together.*
