“ *This beautiful woman always made you feel like family, she told the best stories, and knew how to make a classy entrance in a classic suit. She always had the great bag too. She smiled through life's heartaches with her painted lips. Just like Lucy, Mayme was one special lady. I loved her and I hate I didn't get to say goodbye.*

“ Miss Mayme brought radiance and sunlight to her home whenever I would visit. I only knew her for a few years, but her kind smiles and hugs were warm and welcomed. Her unconditional love was tangible. She graciously shared her home cooked meals with me and there was always, always dessert with stories and laughter. Her beautiful spirit lifted me up. It gives me solace knowing that she is now with her Lord and is a shining light in Heaven. My wishes for comfort and peace are extended to her family and especially to Dennis who honored her and loved her deeply. Allen

*Mayme will be sorely missed by all who knew her. We were XI Phi sisters for more than 25 years. She was so kind and had the most beautiful voice. She would call and thank me for the smallest gesture. Even in the hospital she had to apply lipstick when we came in the room. We loved her. Prayers for her family. Regina Witt*
