I was very sad to get this news

Mike and I grew up a few streets apart and went to HG elementary school together. We remained friends despite only occasionally seeing one another. I last seen him while I was refereeing his son basketball game in Clanton a few years back. I remember asking his son while on the court who his dad was cause I could sure see Mike in him. I later got to speak to my friend while bragging how good an athlete his son was.

Lots of memories growing up

Rest Easy my Friend 🙏🙏

“ *There are not enough words to describe the kind of man Mike Driver was. He was gentle, kind, caring, always willing to help others. He loved the Lord and his family. A very old phrase comes to mind when thinking about him - he was a prince of a fellow. He will be missed by all. It was a privilege to know him. Our thoughts and prayers are with you and your family.*

“ My uncle Mike was such a kind and compassionate man. I have so many memories from when I was a kid. He taught me how to build model cars and how to paint them. I watched him cry during the race when Dale Earnhardt wrecked. We watched so many nascar races together, but that is the one I remember the most. My heart is shattered for our family during this time of loss. I love you so much uncle Mike.

“ Michael Sr was a very sweet loving man he never met a stranger and always ready to help when ever needed. He always showed his family love and support in everything they did or had going on. He was most definitely a great role model for his boys. He will be missed by many. I feel very blessed to have known him. 🙏 Love to the family.
