“ Mike was a true Marine. When my Marine daughter went to Afghanistan he would call and say "Checking on my girl, when you talk to her tell her an old Marine said "Semper Fi" " When her vehicle got hit by an IED and was injured, he would come by my office to ask me how she was. It meant so much to me seeing this man who didn't like to show emotions be so caring for her. Lisa thank you so much for being such a strong, loving and caring person you are. You took care of Mike in good times and difficult times. If you need anything you have my number. Day or night. I love y'all

“ Cindy you know how much I love you and loved Mike. We had so many good times with the horses and cows. I will never forget Mike putting me on the tailgate of that old truck with a loaf of bread to throw to the cows to get them and the horses to move to another pasture. There are hundreds and hundreds of other memories made with you guys over the years. He will never be forgotten.

Cindy: It was a blessing having Mike around helping with the garden and keeping me encouraged. I know he loved bringing his granddaughter to the garden and helping others and enjoyed laughing and cutting up with all of us. He will be missed visiting the garden and calling me with the Squirrel reports!! He was a good friend and mentor to me!

“ Doug would say, “Semper Fi”. They loved to talk on the phone and when they would see each other. Both Doug and Mike had disabilities from the Vietnam war. Thanks for serving for all of us. We have prayed for Mike for a long time. We will continue to pray for all of the family. Bettye
