“ *Mrs. Loretta. What a vivacious personality and contagious laugh. I remember her explaining Alicia's challenges to my cousins and myself in words that we could understand - I appreciate that greatly now. I will never forget her rolling up to my grandparents' home in that fluffy white Easter Bunny costume - we laughed lots that day! I do hope you all have support and love of many close friends and each other in these difficult days. My best to all my very extended Bugler "family".*

“ *Loretta and her family were such a huge part of my childhood on Beasley Street. She tolerated a lot from us kids who liked to play pranks. Her door was always open as well as her arms for hugs. Much love to her family with a extra big hug for Alicia! Deepest sympathy with all my heart!!!

“ I am heartbroken in the loss of this great lady. She was a strong woman, always willing to take time for others, a loving mom who loved her family with all her heart, a giving heart and loved the Lord. We have had some great times together and will always remember her help and kindness when I lost my husband. She amazed me with her memory, she knew the exact birthday of my family and always recognized it with a sweet card. She was very talented and smart . R I P my beautiful friend , Heaven gained an angel.
