“ *This beautiful woman adopted a rescue from me, Pookie, it was love at first sight for the two of them, I am heartbroken such a beautiful soul has left this Earth. Her compassion, kindness, laughter and love for all things are still here. Rest easy beautiful lady.*

“ I met Nina 22 years ago when I first started working at a Chevron station in Montgomery! We became fast friends and later coworkers. She lived with me for a short time and she was a joy to be around. I was just thinking about her the other day and i get on FB and see this devastating news. I wish I could have hugged her one last time. Always enjoyed her hugs! I'll miss you my friend! Sub Sub
