Nora Jean Flippo Culver, 89, died peacefully at home on July 9, 2023. She was the daughter of Lassie Willis and Alonzo Flippo. Nora was a resident of Millbrook, Alabama for sixty-six years. Culver; grandchildren, Jonathan Barganier (Leigh) and Emily Alexeev (Denys); and great grandchildren: Nash Barganier, Jeb Barganier, Everly Alexeev and Kate Alexeev.

Nora was a graduate of Wetumpka High School in 1951 and upon graduation joined Alabama Power Company where she was employed for over thirty-six years. Nora was a loving wife, mother, and "Grandmama" and family was always her first priority. Her Christian faith was strong, and she faithfully followed her Lord and Savior Jesus Christ. Coosada Baptist Church was her home away from home and her pastors and friends there were her treasures. She was a true friend to her neighbors in Millbrook and she loved her community with all her heart.

A visitation will be held on Friday, July 14 at Coosada Baptist Church from 9:30 to 10:30, followed by a service led by Dr. Jim Graham at 10:30. The

“ *Mrs. Culver as we always called her was a dear neighbor. John and I purchased a lot in their back yard in 1997 when she and Mr. Culver developed their property. She was a delight and so kind to our family. I will truly miss our conversations at the fence between our yards. A true southern bell she was.*

“ *Nora Jean and I started school in Montgomery. My Daddy was transferred to Wetumpka, then her Daddy was transferred to Wetumpka, so we both started school in Wetumpka. My parents bought on the lake, and I started to Holtville HS where Rabbit went, and later Nora Jeans parents moved up here. We stayed friends but not connected as we got older. She was special and will be missed.*

“ *Nora Jean was a true Southern Belle. She was my neighbor and my friend, and we shared many times of joy, fun, heartache, and just good old heart to heart talks. She was always helping me out as well as people all around the neighborhood and her dear friends in her church family. She was a treasure put in my path by God and I'm so very thankful to have had the opportunity to be blessed by her life these past 30 plus years. I miss her but know that I will see her again. You finished your race well, my friend! 💕*

“ *Nora Jean and I carpoled to and from work together for my first 7 years with Alabama Power Co. There was a lot of laughter and sometimes tears in that car. She was such a dear friend. Prayers for her family during this difficult time.*

“ *There are so many memories of Mrs. Nora that I could share so I'll only share one or two of them. When I first met Mrs. Nora, I could feel the warm and tender love that beats from her heart. After being with her for only a week at that time she said she loved me. I felt it from her heart to mine. She wasn't one to watch too much T.V. she wouldn't smile or laugh much at the time. So, I talked her into watching Andy Griffin when I had some down time. Oh, how I LOVED to hear and see her laugh at that show.*

*She will FOREVER live in my heart and memory.
