“ *Back in the early 1970's, Norman & his family lived near us & for many summers there after, his mom became my mom... I once shared that family is more than just a bloodline, & this was one of the families that shared that loving truth with me!*

You will continue to cross my mind, (as the saying goes) "brother from another mother". Do me a favor, say hello to your sister Marie & your Beautiful Mom!
