“ *Momma, I miss you so much. A huge part of me is gone. It's not the same not having you here to take care of. I know you know I did my best and I wouldn't trade all the time I got to spend with you for nothing. I'm happy that you are no longer in pain, and you can finally walk again. I will see you again. I have no doubts about that but until then I will carry your sweet face in my heart and remember all of the time that I had with you and I'll stay busy down here working my way up to you. Rest well little Momma. I love you. 🥰❤️*

“ *Y'all know Granny was a mess. I got to know her and to know her was to love her. I will miss our talks and her laughter, it was contagious. Her stories are now gone but if you ever got to hear one, you'll never forget it. We love and will miss you Granny, until we meet again. Always....*
