Of post my favored love,  
Her care -- and not a learned degree,  
Experience taught her how.  
  
I always knew that I was loved  
By deeds, a hug or smile.  
She proved it in so many ways --  
"Twas special -- grandma style.  
  
Sometimes she was my playmate  
Oh times my mentor, too,  
I learned to take life as it came;  
That's helped me my life through.
