“ There's an empty spot in our family now. Martha, Linda and I will always carry the memories of you. The memories of your humor and laughter will always make us smile. No one will ever understand the many, many “laugh until you cry,” moments shared when the four of us were together. You were the best keeper of my secrets and a great big sister, but it is time now for you to rest. While we no longer see you with our eyes, or touch you with our hands, we will feel you in our hearts forever. Give Momma and Daddy a hug. I love you forever.
