“ *My mom gave me life. She may not have raised me but we got the chance to have a relationship the past 12 years and I'm so thankful for that. I love her with all my heart and I know that she knew that too. Mom, I may not have been by your side at the end but I never once stopped loving you. You rest now, it's not goodbye. It's til I see you again. What did we always end our calls with?*

Later, I love you!
