“ *I am Ms. Pat's neighbor and I am sorry to hear she has passed. She was always nice to us and would occasionally employ my teenage son to rake leaves. We will miss her very much, my thoughts and prayers are with her family*

“ *So many memories the best one and funniest is the evening she came back to base at airborne. I was standing on the dock and she came up to me with smile and said Judy don't kill me but. I went through carwash to wash my van . And it took my whole right mirror off. I couldn't say anything except MsPat it will be alright. She said it scared her so bad.*
