“ *As kids, Patsy played a very inspirational part in our lives. She was a great friend of our family. That beautiful smile of hers could light up a room at any time. She will truly be missed by many. Praying for comfort during this bleak hour.*

“ *Miss Patsy was my dear friend's mother. (Patti Wells) She was always so happy and welcoming. She was a fine lady and a great mother to Patti and her sisters. I never was around her when she wasn't smiling. I just know Patti was welcoming her at Heaven's gate. Jimmy Dean was there to greet her too..... Things are all better for her now. I hope the happy memories are able to soften the loss. I know you all will miss her.*

I did not know Patsy personally but I knew her by way of Bob Wells. She sounded like someone I would have dearly loved and cherished. I pray for comfort and peace for Bob, her family and friends and all who loved her dearly. Oh what a blessed reunion she must be having with Patti! ❤️🙏
