“ *I wish I could wake up from this nightmare daddy. I never thought that Sunday afternoon was the last time I'd ever hear your sweet voice and saw your sweet smiling face. The last words you said to me were, "I love you baby."... Daddy, I would give anything to get that chance one more time. I wasn't done doing this life without you here with me, but now your not here and I don't know what to do. Daddy you were the backbone to our family and one of greatest men that ever walked earth. I miss you and love you so much daddy. Go rest high on that mountain, my angel*

“ I can not believe this, I need to wake up from this nightmare and call my brother to tell you that I love you. Sunday night as we were hanging up you told me that you loved me as you always did. This pain is unbearable. I love you so much Paul.
