“ *Mumnut was a riot. He wasn't a great gamer, but he kept on trying! He was very determined to play. He was fun to have around and talk to. We have missed him. Rest well buddy!*

“ *Mumnut played on a game with us on Steam. He always said, " Flower how you doin? How's Mr. Flower? " He had the most ornery of sense of humors and I will miss him dearly. My condolences to Holly and the rest of the family. I had just found out through a friend on our grapevine of his journey home. God bless my gaming buddy. My husband and I will miss you so very much!*

With love,

"Flower and Mr. Flower"

“ *Paul was the most gentle person I've ever known. He loved raising mums And he loved his family. He taught me and my mother how to drive. He was always there as a friend for 46 years. I will never forget his kindness.*
