“ *Oh Prissy! This woman is missed so much. Prissy had the courage to stand up for what she believed is right, no matter who it was. She had witty little things about her that made her awesome. If you didn't want to know the honest truth she wasn't one you would want to ask! Miss her so much!*

“ *Prissy worked for me many years ago. She was an excellent worker and a caring individual. We became friends during those years. You will be missed Prissy, but I know you are loving on all your fur friends.*

*Love,
