“ *I still think about him often. Still saddened by the world's loss. Just a good guy and solid friend... Still sad. I loved him very much.*

“ *Jerry, Patsy, Travis and family,  
We write this with aching hearts because we loved Troy so much, too. We loved that precious and tender smile. However, it covered all the troubled waters in his life. Sometimes, we do not understand everything, but God does. We will see Troy again one day in Heaven. If you need us, we are just a call away. Our thoughts, prayers and love are with you all. God bless,

“ *Patsy and Family,  
My heart goes out to you during this most painful time. I knew you and the boys at Robinson Springs School. Troy and my daughter, Melissa, were in Kindergarten and 1st grade together. I pray that God will grant you grace and mercy as you and your family deal with this tragedy.*
