“ *When I married Charlie's brother Bob I got a whole family. All 3 Butler boys were blessed to have Good looks. They were also smart and athletic. Bob lived life large and had a huge personality. He was always positive and never complained. He leaves this world a Better place. I already miss him.*

“ Bob was the brother I never had. When I married his brother Charlie in 1968 I also got a whole family. The 3 Butler boys were all handsome smart and athletic but Bob was a huge optimistic outlook and the one who lived life to the fullest. There is a big empty place in my heart and I miss him already. RIP and God knows he finished the race and is in the arms of Jesus
