“ There are way too many memories to write out because Bob has been a part of my life for the past 30 years. I have always been treated as a part of the family and I hope he knew I loved him like a father. It always made me feel so loved when he would say “this is my other daughter, Merideth”. Special treatments like being taken ice skating in the middle of the day with Kelsey to big bear hugs when I showed up at Habaneros, he always showed his love! I will miss that contagious smile and big “Hey, Mert!” I love you, Bob! Thanks for the sweet memories and your amazing family that I still consider my own.

“ Cheers to the man that loved life but loved his family more! Bob was inspirational to be around, he always had a story to tell most of the time and it would make you laugh! Along with my family we shared a many meal together on Saturday nights and we had a wonderful time! This guy's smile will be remembered and his passion for life/family will be a gift that he leaves with everyone! He leaves behind a great family and now as I once was told the story after a person passes will be a great example of Bob.... Bob now will be in the grandstands cheering everyone on until the day that we meet up with God! I am a better person as many others in Bobs path by knowing him! RIP Bob!!

“ Lori and family,  
Please accept my heartfelt condolences.  
I have great memories of Bob from my many visits to the Jordan Lake field station when I worked at NAVSPASUR and NAVSPACECOM in Dahlgren, Virginia.  
Lots of laughs and many jokes were shared over the years.  
You are all in my thoughts and prayers.
