“ *I am sorry for your loss. Mr. Ed was an outstanding person and one that made an impression on me for many, many years. I played baseball for Mr. Ed way back in 1972. He was remembered through the years. I remember his nice old truck he had back then. May the Lord hold you close.*

“ Betty, I am so sorry about Ed. I remember when our boys were  
playing baseball many years ago. Ed coached Kevin's team. Made  
ball games competitive for sure. Then in these past few years, he  
and Brett became good friends and fishing buddies. Brett's heart is  
broken. Ed was a second daddy to him and you'll never know how  
much I appreciate him. Thank you for all your kindness in sharing  
him. He will sorely be missed. Prayers for you and the family.

“ Farewell old friend until we meet in Heaven. My deepest regret is that I never made the time to come up and go fishing. Just never made the time. You were as good a friend as any man could have. Oh the memories of our younger years! Countless baseball games at Frank Lee, Elmore and "Sweetnin"! Basketball at Lightwood! Flag football that turned out to be more that flag at cow pastures all over Elmore county! Though we could never see eye to eye on college football, we at least grew to accept the differences. I will see you on the other side. My sincere prayers for Betty and the family.
