“ *Robert was such a good friend of our family and such a presence at ISCI. I will miss him and his great laugh. I loved looking at all of his pictures of his trips, especially the one to Sturgis with my brother Jeff. They were truly best friends and like brothers. I know I'll see him again one day in heaven.*

“ Robert was always a pleasure to be around and ride with. A very quiet man that some of us affectionately referred to as McGiver. LOL. If a fellow biker ever had mechanical trouble on a ride Robert always seemed to have something squirreled away on his bike to make the repairs. It always amazed us.

You will be missed my friend. I know God has prepared a special bike for you and miles of beautiful roads to ride. Till we meet again.
