“ *Glenn and Family, I feel so privileged to have known your Dad. The time he took to teach us fishing techniques and put us on good spots is very much appreciated. Your Dad has also extended that thoughtfulness into helping me acquire a boat that my family in turn has enjoyed. May God bless you all in this most difficult of times. Glenn, you are a true and wonderful friend and I'm a better person by knowing you and your family.*

You are in my thought and prayers. Although I did not have the pleasure of knowing Mr. Trapp, he must have been a great person to raise such a wonderful son.
