“ *I probably wasn't the best kid, I know where it came from though! I love you Dad and miss you, been awhile but I still think of the great memories we shared together! You taught me many valuable lessons that I still apply to my life today! Thank you for being my Dad. I want you to know you are not forgotten and I speak of you often. Look forward to seeing you again someday! God is good all the time! Love Rod*

“ *I remember when Mike & Aunt Bill came fishing in the pond on my place. Also, remember when the Booth boys & other cousins played at Papa Reynolds' house. They chased me with a toy snake one time. I picked up a stick & hit one of them (Bill Jr, I think). It is a shame, we cousins drift apart.*

Mike always had a wonderful smile.

So sorry for the family's loss. Mike was a good man. He lived next door to us(my parents) for about 20 years.
