“ I loved Roger and his dedication to the "Old Mobile Engineering team.". He gave his heart to being the best Roadmaster every day. Roger was instrumental in helping us be #1 in Safety, Quality, and Cost Effectiveness from 1990 until I left as D.E. in 1994. I know Roger also loved Selma and his family and I hope to meet him in heaven. Jesus made it possible to escape this world of pain and sorrow, for all who will follow Him. Sorry I cannot come to the service today. Just found out this a.m. but I pray for God's comfort and blessings to keep you today and until the end.
