“ Ronny worked under me in engineering at Maxwell for the last 7 years of his life. Ronny was such a blessing to Maxwell and the Air Force! He served the AF for 65 total years as an enlisted leader, civil servant (lodging mgr) and as a contracted furniture mgmt office worker/leader. In his final role, among other duties, he was a positive point man for managing senior officers home furnishings for dozens of Colonels and Generals over the last 20 years of his life. He was also an inspiration for his dedication to family, work and physical fitness habits. I consider him an Iconic servant to the Air Force...given his service starting in the 1950s until 2025.

I love Ronny Snisky and look forward to rejoining him when we meet in our next chapters of eternal life.

Peace and prayers for the family!
