“ *Hot summer days spent watching our daughters play softball will always come to mind when we think about Sam. We sweated and shouted together! Seeing Sam step behind the plate as the referee at our granddaughter's games was always a treat, too. Sam always had a great smile that greeted everyone. He loved Millbrook and did his best to help make it a great place to live. Sam will be missed by our family and all of Millbrook.*

“ *Sam was a good friend of mine for the past 15 years. I got to know him through his membership in the Alabama Consumer Finance Association where he faithfully served as a Board member for many years. Sam was a good and honest man and he was always there to help others. I will miss you my friend!*
