“ *What wasn't mentioned was her beautiful spirit, her quick wit, her ability to make you laugh, that she loved Auburn and despised Alabama unless Auburn wasn't playing or winning. She was so wise but never realized her own worth and how beautiful she was. I will miss you girl.*

“ *I received the news of Sam's passing too late to make it to her memorial service, but my heart goes out to her family...we grew up together. She was a sweet girl with infectious laughter. There will be an empty spot in the world that only she could fill. My family and I are praying for the healing of your hearts.*
