“ *Samantha 's smile and kindness would light up the Waffle House all the time. Her personality was contagiously genuine. Heaven truly has gained another Angel. She talked about her children and loved her family and would always share beautiful words and pictures of her children I will always remember you Samantha and the great service you provided to all your customers at the Waffle House. May you rest in peace. I pray that your family, customers and coworkers find comfort and strength during this difficult time. Thank you Samantha for making my day brighter whenever I visited the Waffle House. I am still in shock and disbelief. However, I know God never make a mistake. I have learned in life that it is not how long a person lives, but how they lived their life. To me, Samantha truly left a lasting impression on this earth and I will always be grateful.*
