“ *I have known Sam most of my life we went to elementary school, middle school and High school. We had lost track of each other over the years and finally reconnected over the computer on visual about two years ago. We talked every day on line and got to be very close friends. He was a nice ,funny and kind man. He had a very big heart. It breaks my heart that he is gone and I will really miss him. We love you Sam Rest In Peace ❤️🙏*

“ *Sam was my best friend! We talked on a daily basis on Messenger video chat. I will miss the combat stories that we shared for they helped us both. I wish we could have shared the moment that our Braves won the World Series. I'll miss his unique humor and even his funny grumpiness. We talked about REAL things. I can't believe he's gone...the world is a lesser place without that big heart of his. I cry from the deepest part of me.*

“ I remember Sam very well. I am in the car business myself and have been since 1977. Sam was always telling jokes and, or stories. He was always a pleasure and a fun guy to be around. He was always looking for a "deal" in the car business and was a good buyer and a salesman too. His company was always welcomed by me and I was always glad to see him coming. The last time I saw him, he came by my car lot on Hwy 14 Millbrook, and that was several years ago. I will always remember him as a "Good Man and Friend!" "Rest in Peace Sam Conner, My Friend!"
