“ *My dear, sweet Ann,*

What a terrible shock to hear of your sudden death! I am heart broken...

Even though ours was a brief friendship, it was none the less very special.

Your laugh, smile and cheerful words were always a 'pick-me up"! You loved everyone and everyone loved you. This was evident in your attitude and Christian charity that you showed your fellowman.

I shall miss seeing you when I come south, but I know that now your troubles are over and you have reunited with your loved ones. Your journey through my life was brief, but you left an indelible mark. Thank you for your friendship and love and I shall truly miss you always.

Rest in eternal peace, sweet Ann,

“ My deepest condolences to the Squires family on the passing of Ann. I use to go to Ann's house as a little girl with my mom and dad who were dear friends or her mom and dad. i was younger than Ann but she always made me feel as grown up as i felt she was to me. she always played games with me. i would get so excited when i found out we would go to visit because i knew my friend Ann was going to be just that "MY FRIEND".

I pray that for each of you your memories will help with the healing of this great loss.

Thinking of you all. Take care and GOD Bless..... Cindi Barnes-Farrell

“ Thank you, Ann for blessing me by being part of my life. You were always a loving "sister", confidant, sounding board, friend. I'm reminded of the old song, "What a Friend We Have in Jesus".....you let Him shine through as a true friend.

Your love for your boys, Rickey and your family was always so apparent. They were truly blessed to have you.

I will treasure your memory forever and miss you always. I know Heaven's sweeter now you're there. You, Kirk and Jerry can reminisce.... what a time you're having.

I will always love you.

“ My dear sweet friend, I have so many beautiful memories of you. One of my favourite was when we were little 10-12 yrs old. We took your Dads boat out in the pond. It was around 7pm & we got out in the pond & lost the oars. We laughed so hard but I think we both knew we were in trouble without saying it. It started to get dark & didn't know what to do when your brother Bill came looking for us, he towed us in with another boat and scared us even more by saying we were in a lot of trouble with your parents!!

No matter the distance between us it never affected our relationship...yours was the only one that when we got together it seemed like we were never apart...I loved to laugh with you!!! Ann always had a kind word for everyone!! Her love & admiration for her two sons were that of a proud Mom.

My heart is so sad at this time for Ricky & Stephen & all the family, please know my thoughts & prayers are with you.

Ann..I love you, RIP my friend

“ I am Ann's cousin. We hadn't seen each other in 34 years but I visited her last fall for just a few hours and it seemed like we had not forgotten anything or anybody. It was wonderful. She was such a God loving and fearing person It was awesome to be in her presence. She loved her family and friends so much and it was obvious in her speech. I am so sorry for her living family but so happy for her heavenly family. I know she is happy where she is.

Love and sympathy to all, Juanita Johnson
