“ *Granny Sandy is dear to us. She took care of Alli Ryan at EMCA Daycare and beyond!. She and Alli Ryan had a special bond that continued until she passed. Granny Sandy helped us feel comforted knowing she was taking care of Alli Ryan while me and Frank both worked and our closest family was an hour away. Granny Sandy loved her family, and they love her. I'm so glad she got to go to Italy a few years ago. She showed us picture after picture. I am so thankful me and Alli Ryan made time to have doughnuts and coffee with her the week of Christmas. Alli Ryan will cherish those last memories.*
