“ Laura and family, my prayers are with you now and in the days ahead for God' s comfort and peace. I didn't know Scott, but I know from talking to Laura that he loved his fur babies, so I'm sure he was a very kind and good man. Laura I tried to call you twice, but didn't get you. Praying for God's guidance for you as you face the days ahead.

“ I didn't know Scott very well but I do remember times he would come to Walmart waiting for Laura to get off work when we both worked there. He always seemed very friendly, that I'll always remember about him. To Laura and his family I pray that God will comfort you during this difficult time. RIP Scott. Carol Kicklighter

“ Scott loved his animals. Seems like he was a cat and dog whisperer. He just had a natural gift with animals!
