“ *Mrs.steward was a caring woman, who never looked down at persons whom were less fortunate. She treated people equally..when my family member got in trouble and needed assistance, Mrs. Steward took the case without thought and when my cousin was unable to pay for the services, she was given time. Mrs.steward always had a kind word and always smiled as she spoke to me. I could remember a moment when I asked her a question about color and she replied..I see no color..I really didn't understand at that time..I was young and in experienced.. Today I know what she meant.. May she rest in peace knowing that her services here on earth will be remembered by those she touched with her heart..good deeds, equality and just service she rendered to all.. when she took your case. She will be missed.. God bless your loved ones always.. The Saunders family*
