Shirley courageously battled MDS, a bone marrow disorder, outliving her original prognosis by many years. She stayed positive through years of treatments and side effects of this rare disorder, never letting it define her or diminish her smile. Shirley was a woman of faith, who never wavered.

“ *Shirley was so precious and a joy to be around. Frank Potts said he & Dick Simonton would go fishing a lot and one day they agreed that Shirley was the prettiest girl at Druid Hills.*

“ *When I was stationed in Philly, I used to visit Jerry and Shirley in Connecticut on quite a few weekends. They both treated me more like a brother, than an aunt and uncle. I will miss her beautiful personality and smile. My love and thoughts to her family.*

“ *When I first joined the Navy, and was stationed in Philly, I'd visit Jerry and Shirley in Connecticut on weekends. I loved the time I spent with the whole family, and Shirley made me feel more like a brother than a nephew. I will miss her beautiful smile and send my love to the family.*

“ *We haven't known Shirley as long as some but she made quite an impact on Patsy and I. So many times we could see she was not feeling well but there was still that great smile and welcoming greeting. We never heard an unkind word about anyone or anything. She was always uplifting to all.*

*All we will say is Bon Voyage until we meet again. We Love You Jerry.*

“ We met Shirley when we moved to Danbury, Connecticut in 1976. They were our next door neighbors and we could not have asked for better neighbors or friends. She was a terrific friend, mother and wife.

“ She always had the prettiest smile and her eyes almost sparkles when she laughed. She taught me how to use a curling iron when I was about 14. She let me be a kid around her. She treated me like family. When she would visit momma she would always seek me out and talk to me one on one. I loved her.
