“ How can I say goodbye forever. to someone who had advice for everybody, we constantly reminded each other how much we loved each? Cousin it was never a sad moment until Wednesday cousin I find myself looking at our old Tea messages. A cousin who do I call to tell you my gossip to this doesn't not seem real I'm not ready for you to leave us, cousin, this one has broken my entire heart I love you and I'm going to miss every inch of you.
