“ Aunt Shirley, so many sweet memories shared with you. Fixing my hair in a bun for church, going with you to the dentist's office every time. Sitting down making crafts with me. You made our Summer's, Easter and Thanksgiving, memorable events. Thank you for being such a gracious Aunt with a loving heart and a smile, that would light up the room. I know GOD'S loving arms are around you now and you are finally in peace. My memories of you will last forever.

“ *Aunt Shirley, I will remember your smile, your love of small Cokes in a bottle, banana sandwiches, tea sets and cobalt blue treasures. You were kind, graceful and could maneuver a riding lawnmower in your Bermuda shorts like a pro. Your love of long baths and long ruffled nightgowns are sweet memories. Rest in peace and enjoy your beautiful new home! I bet you have said "Oh my word" more than a few times in the last few days!*
